

Durable, low-noise high pressure washer, perfect for powerful cleaning tasks and frequent use

This powerful high pressure washer complete with Multipurpose Gun & Lance and Power Foam Blaster, can tackle all your everyday outdoor cleaning tasks. The induction motor and long-life metal pump provide powerful results on everything from delicate surfaces to ingrained dirt. The 10 m Ultraflex hose has increased flexibility and is easily stored away in the integrated hose reel after use.

The Excellent 160 pressure washer, complete with Multipurpose Gun & Lance enables you to clean without limitations. The long-life, induction motor reduces noise when in use. Attach the Multipurpose Nozzle onto the lance and with one twist, choose between one Rough and two Gentle settings. For even gentler cleaning tasks such as bicycles or facades, use the Short Range Nozzle which fits directly onto the gun. To create a thick foam out of detergent, connect the Power Foam Blaster directly to the end of the gun and spray the item you wish to clean - then rinse off the foam with your desired nozzle.

Picture shown may not represent model quoted

- Induction motor with metal pump - low noise and longer lasting
- Multipurpose Gun & Lance - 3-in-1 nozzles for different cleaning tasks
- Power Foam Blaster (700 ml) - Creates a rich foam, giving you a more pristine clean
- Short Range Nozzle - For delicate and close-up cleaning tasks
- 10 m Ultraflex hose - Ultra flexible hose, reducing the risk of kinks and knots
- Internal Hose reel - easily wind-up the hose and store inside the machine, avoid kinks whilst saving time
- Telescopic handle and trolley - for high mobility and easy storage
- Click&Clean connectivity - quick and easy change of accessories
- Nozzle user guide - quickly check the correct nozzle and power setting for your cleaning task
- Automatic start/stop system - machine automatically turns on when trigger is pulled and turns off as soon as you let go
- Easy set-up - get cleaning in minutes
- Cleaning speed index: 50 m²/hour - cover more surface space
